*Kindly contact us if any of the above information is incorrect or changes subsequently.*

Please provide your employer with your Personal Identification Number (PIN) as captured on the attached Certificate of Membership. This will enable your employer commence remittance into your Retirement Savings Account (RSA).

In addition to the regular transactions alerts that will be sent to you whenever remittances are made into your RSA, you can also monitor your contributions online via our [ARM Engage platform](#), which give you an omnichannel experience.

We advise you keep your username and password confidential and should not be released to anyone.

To view your account on the go, please log on to ARM Engage <https://engage.arpension.com>, click on the register tab and follow the instructions.
